

Welcome to the Wilmington Island Methodist Church Preschool. We are excited that you are considering enrollment in either our MMO program or our Preschool program.

Our staff is a very dedicated group of professionals who will provide your child with a warm, caring, and safe environment to ensure that each child can reach his or her maximum potential while they are playing, learning, growing, and having fun!

Your child will participate in a variety of play activities that will promote cognitive, language, pre-literacy, gross/fine motor skills, and social skills in a Christian environment where Christian values are taught through role models of our staff, through the Bible, religious songs, practices of prayer, and Chapel time.

In the following pages, you will find information for registering for the 2024-2025 school year as well as our summer 2024 MMO program. If you have any questions, please call or email the preschool. We are always happy to help make the process run smoothly, and we look forward to meeting your wonderful family.

Warm regards,

Wendy Amerson
Director of Preschool Programs

HOW DO I REGISTER FOR A CLASS OR JOIN A WAITLIST?

STEP 1

Complete the new student form on the Preschool website at www.islandmethodist.com/preschool and submit it through Brightwheel.

STEP 2

Once submitted, preschool admin will review your submission and determine if a spot is available for your child. A Brightwheel message will be sent once your submission is processed to notify you of status.

STEP 3

If a spot is available in the class you request, an invoice for the registration fee will be added to your Brightwheel account. Payment for the registration fee is required within 24 hours to secure the spot. Registration fees are non-refundable.

This is not an automated process for the preschool. All forms, invoices, and messages have to be manually approved/sent.

**All submissions are timestamped and used for placement.
Please be patient =)**

2024-2025 School Year Registration Information

The Wilmington Island Methodist Church Preschool offers an Accredited with Quality program through Bright from the Start. Our school year will begin on August 26th, 2024, and run through May 9th, 2024. We also offer a summer MMO program in June and July of 2024. Please check our website for more info. Our school calendar follows the Chatham County School System calendar for holidays and closures with the exception of a few days that we are not in school. In our preschool, we offer a Mother's Morning Out Program for ages 6 months-23 months and preschool classes for ages 2-4. Each of our classes have 2 teachers with the max number in classes never exceeding 10 students in MMO and 12-14 in preschool classes. Our school day starts at 8:50 AM and ends at 12:50 PM for all classes. Beginning in 3s, the children are required to be 100% potty trained.

We host an open house twice each year. On **January 25th, 2024 from 6 PM-7 PM** we will be hosting our next open house and student art show. This event is open to anyone interested in our program. Another open house will be the week before school starts in August. That open house is a great time to get acquainted with the classroom and teacher.
