

Welcome to the Wilmington Island United Methodist Church Preschool. We are excited that you are considering enrollment in either our MMO program or our Preschool program.

Our staff is a very dedicated group of professionals and they will provide your child with a warm, caring and safe environment to ensure that each child can reach his or her maximum potential while they are playing, learning, growing and having fun!

Your child will participate in a variety of play activities that will promote cognitive, language, pre-literacy, gross/fine motor skills and social skills in a Christian environment where Christian values are taught through role models of our staff, through the Bible, religious songs, practices of prayer, and Chapel time.

In the following pages, you will find information for registering for the 2021-2022 school year as well as a registration form. If you have any questions, please call or email the preschool. We are always happy to help make the process run smoothly. Guided tours are available by appointment after school hours and those can be scheduled by contacting the preschool director.

We look forward to having you join our preschool family.

Warm regards,

Wendy Amerson
Director of Preschool Programs
