

SUMMER PROGRAM (JUNE & JULY)

WILMINGTON ISLAND METHODIST PRESCHOOL

This program is a nurturing environment which encourages social, emotional, and creative growth in young children. At MMO we work with the children on basic skills, such as making new friends, cleaning up toys, sitting in a chair to eat, and sharing. MMO is often a child's first experience away from family members so we understand that it sometimes is a hard transition. Summer MMO is a great way to keep our students engaged at the preschool and provide fun activities during the summer.
